NO RADIO PARTS IN RAILROAD STORES -- Gudok, No 101, 24 Aug 49

Railroad workers, especially those at points removed from large populated places, are finding it difficult to buy spare parts for radio sets. Four months ago the Ministry of Transportation and the Central Committee of the Railroad Trade Unions ordered the Main Administration of Workers' Supply to take measures to supply spare parts, but as yet the Administration has done little. Complaints have been received by Gudok from workers on the Belorussian, Perm', Western, Odessa, Stalin, North-Donets, and South-Donets Railroad systems.
